Problems to report

The hand dryer is smelling very hot when on, could probably do with someone to take a look at it

One of the toilet roll holders have been taken off and I can't find it anywhere

There is no paper hand towels and no soap is the dispenser in the disabled toilet and no replacement in the store cupboard

Not sure if the new cleaner has started yet but I was there this week while they were there and they haven't got a litter picker so they have left the litter on the floor and in the toilets, they haven't cleaned the toilets or urinals just moped the floor

Fly tip by the small carpark at Ash Priors common

Jobs Planned in for January/February

Litter picks of A358, Cothelstone Road and any other areas requiring it
