

# Parish Lengthsman Report

July 2022

## Works Complete

Regular walkabouts

Public toilets maintenance and inspections

Regular underpass checks and clearing

Removed broken glass

Painted over graffiti

Litter pick (the litter is normally bad after Quantock brewery have a food night and was especially bad after the festival)

Mowing the grass areas of – the roundabout, visibility areas at the end of Taunton Road and Minehead Road, under the Broadgauge business park sign, Millers Way, Hamber Lea, outside of the toilets, outside of Webbers and Mill Lane plus a mowing strip on the right as you turn down Hither Mead from Taunton Road

Strimming of areas requiring it – visibility area outside of Dunkirk memorial house, area around the Cotford roundabout, junctions between Watts Lane and East Combe Lane, Lydeard Mead, visibility to Wick Lane on A358, visibility at Stairfoot, visibility on the junction of B3224, visibility on junction of West Street to A358, visibility at Knapp Lane, area around posts and rails by Middlebrook Farm plus around the gate of the footpath opposite, junction of Watts Lane (Eastcombe end), visibility of junction and around the SCC finger post at Birches corner, entrance to the Main car park near Ash Priors and the small car park further down, visibility at the junction opposite the main car park, visibility at Terhill

Continued with weed spraying

Removed soil and uncovered drain at Stairfoot

Litter picks of bad areas – Cothelstone Road, down by the railway.

Continued cutting vegetation back from around road signs

Removed ragwort mainly from A358 and along stream at Hither Mead

Looked for the 1661 stone on Crawlic Lane

## Jobs Planned in for August/September

Would the council like us to start on repainting the phone box at Darby Way?

Start on the bench's that need varnishing

## Problems to report

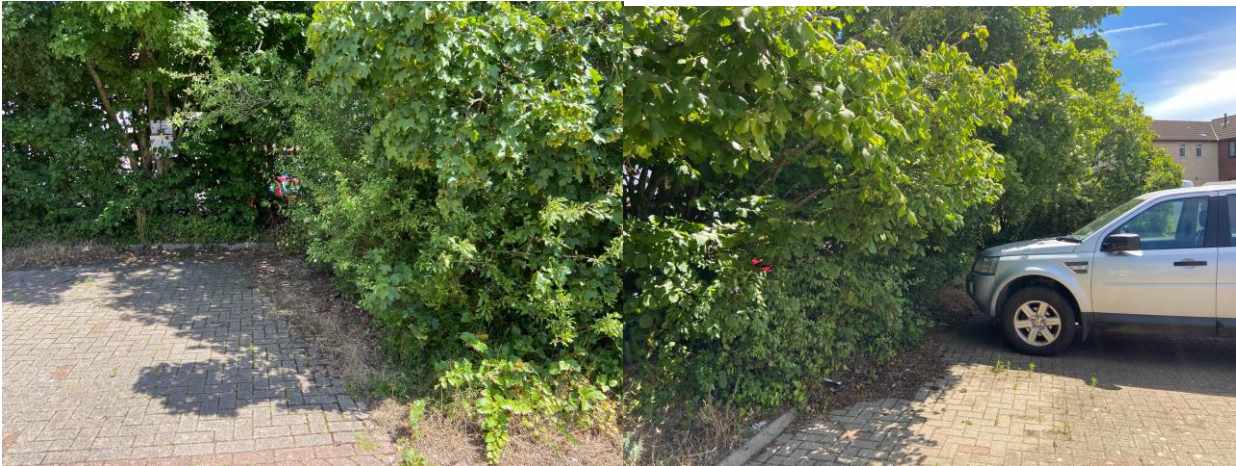

Flytip on road to Kingston just past Tetton Lane

Rail missing above the underpass (reported to SCC)

Hedge around carpark at Webbers is hanging over the cars. Would the council like us to cut it back?

Footpath T4/33 very overgrown

Someone has got a bike wheel stuck in the crack by the underpass

*Jack Councill*
