# Surviving Winter

**Hundreds of older people need your help...**

**One in eight Somerset households live in fuel poverty**

**On average, there are 330 excess winter deaths each year in Somerset**

Last winter (2017/18) Somerset Community Foundation provided grants to over 500 older people in

Somerset, helping them through the winter months. Please help us to increase our impact by helping even more isolated and vulnerable people this year.

**One in six older people in Somerset feel isolated**
